Dear Holly Phipps
Project Manager

We would like to request a public hearing in regards to a request from Lori and Rob Gillespie for a minor use permit to allow for a Temporary Events Program at 490 W Ormonde Road, APN 044-301-043.

We are located at 560 W Ormonde Road. We strongly disapprove of an event center with the number of guests involved, 250-350 every weekend. This would not be in the best interest for the neighbors including ourselves . There are several factors we would like to bring to your attention. The first is a safety issue. Ormonde Road is a narrow curving country road. Alcohol is usually served at these events. The possibility of accidents with 350 guests who have been drinking coming and going would be horrific! Great care and attention is needed on a daily basis when driving in this area. We are also concerned about noise, trespassing and trash along Ormonde and of course all of the environment issues involved.

We enjoy our quiet, private, area.

Thank you for your consideration in this matter,
Lynna Hall
